Type in the customer's number.

A screenshot of the ExtendaGo POS interface. The top status bar shows the time "08:59", date "man. 28. mar.", and battery level "92 %". The interface includes a search bar with the placeholder "Søk på artikkelnavn", a grid of product tiles, and a list of items. A modal dialog is open in the center, titled "Skriv inn kundens mobilnummer". It contains a text input field with a dropdown menu showing "+47" and a placeholder "Skriv inn eller oppgi mobilnummeret". Below the input field are two buttons: "FORTSETT UTEN" and "OK". At the bottom of the screen is a numeric keypad with digits 1-9, "00", and "0", along with a backspace button and a keyboard icon.

Add goods to your shopping basket as usual.

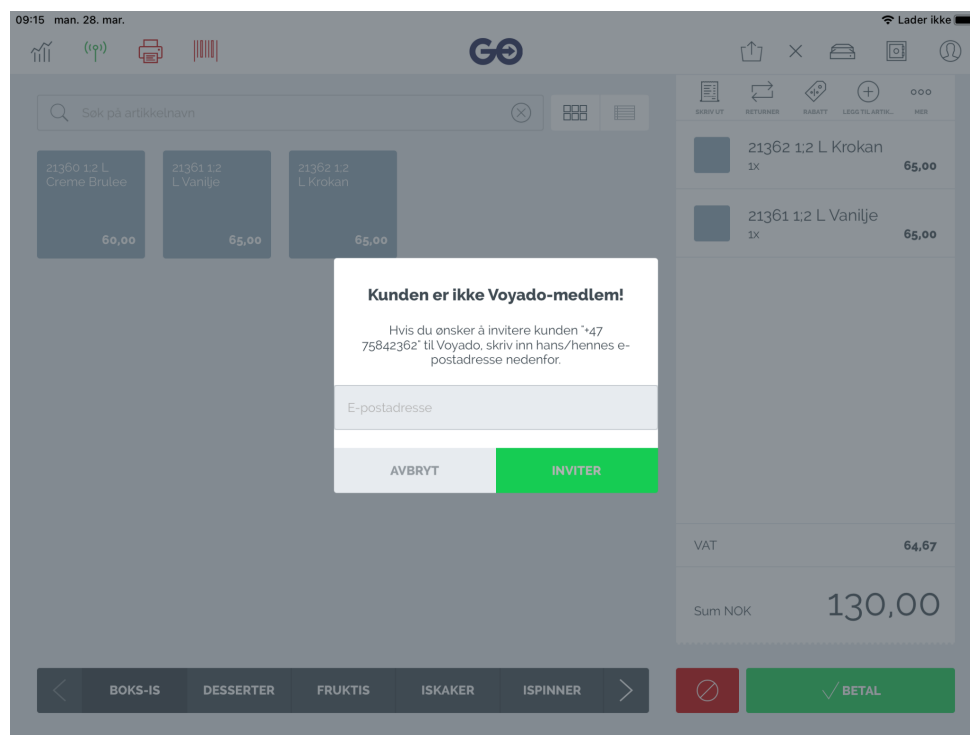

Enter the customer's mobile phone number. If the customer is already registered in the customer club, a window with the customer's "Coupons" will appear.
